she'll let you in her mouth if the words you say are right

if you pay the price

she'll let you deep inside there's a secret
garden she hides

she'll let you in her car to go drivin' around
she'll let you into the parts of herself

that'll bring you down

she'll let you in her heart

if you got a hammer and a vice

but into her secret garden don't think twice

you've gone a million miles how far'd you get
to that place where you can’t remember

and you can’t forget she'll lead you down a path

there'll be tenderness in the air

she'll let you come just far enough so you know she's really there

and she'll look at you and smile
and her eyes will say
she's got a
secret garden
where everything you want
will always stay
where everything you need
a million miles away
