Let There Be More Light

Words and Music by
ROGER WAVERS

Far far far away away people heard him say say I will fade a
now now now s the

way way there will come a day day something will be done

time time time to be be be a ware

then at last the mighty ship descending on a point of flame made contact with the human race at
Carter's father saw it there and knew the hull revealed to him the living soul of Here-wood the

Mildenhall Mildenhall Oh my something in my eye eye something in the
Wake Wake Oh oh did you ever no no never will they

sky sky waiting there for me I I I can't say The outer lock rolled slowly back the

servicemen were heard to sigh for there revealed in flowing robes was Lucy in the sky

glowing slightly from his toes his psychic emanations flowed
