Acknowledgments

I wish to thank Hector García Martínez and Ricardo Zavadvik for their assistance in the acquisition of the Prat Collection. Particular thanks to María Isabel Siewers and Nicolas Pazur for their gracious hospitality in Buenos Aires. The trip would have been otherwise ever so more arduous than it was. The rich *asado* prepared by Nico on the occasion was a truly memorable event, giving us a direct feel for all that is porteño—the food, the music and above all, the people.

Many thanks to Christopher Teves and Karl Wohlwend for their assistance in proofreading the present edition. The cover art work of this edition is based on period tango illustrations. The oval portrait of Domingo Prat depicted on the front cover was published on June 24, 1916 in the Barcelona newspaper *El Teatre Catalá* on the occasion of Prat's concert at the *Casal Catalonista del Districte II*.
