{ This book is the first major publication of my compositions. Because most of the pieces weren't composed for the piano as a solo instrument, I did some re-arrangement of them to make them playable on the piano alone.

{ Sometime Ago, La Fiesta, Crystal Silence, and What Game Shall We Play Today are from the recording, "Return to Forever" on ECM/Polydor.

{ Children's Song #1, You're Everything, 500 Miles High, and Spain are from the recording "Light As A Feather" on Polydor.

{ Hymn of the Seventh Galaxy, Señor Mouse, and Space Circus Parts I & II are from the recording "Hymn of the Seventh Galaxy" on Polydor.

{ Where Have I Known You Before, Where Have I Danced With You Before, and Where Have I Loved You Before are from the recording "Where Have I Known You Before" on Polydor.

{ And finally, No Mystery is the title song from the recording "No Mystery" on Polydor.

{ I wish you fun with this music.

SOMETIME AGO

NEVILLE POTTER

*I had a dream of this melody. I kept
singing it for days. I'm sure it's from a
long time ago.*
