REFRAIN

1. How many roads must a man walk down before you
call him a man?

2. How many times must a man look up before he can
see the sky?

3. How many years can a mountain exist before it's
washed to the sea?

can some white dove sail before she sleeps in the sand?

One man have before he can hear people cry?

Peo - ple ex - ist be - fore they're al - lowed to be free?
