

# One Direction I Want

A min                      A min                      F

Give you this give you up blow a kiss take it back if I look in side your brain

4                      C                      G/B                      A min                      A min

I would find lots of things Clothes shows diamond rings

7                      B                      E                      A min

stuff that's driving me insane You could be preoccupied

10                      A min                      F                      C                      G/B                      A min

different date every night You just got to say the word You're not into them at all
