ULTIMATE VOCAL SING-ALONG

Alfred's Ultimate Sing-Along books give you everything you need to sing with your favorite songs. Each songbook has the lyrics, music notation, and chords to eight great hits, with lyrics-only pages included.

There are two versions of every song on the CD: a full-performance track with an amazing sound-alike recording, and a professional accompaniment track so you can sing along. When you use the CD in your Mac or Windows-based computer, the TNT (Tone 'N' Tempo) Changer lets you easily change the key and tempo to individualize the playback for just your voice and style.
